Oslo

by Muka Design Lab

Its purpose is to subtly separate ambiances. Oslo combines the transparency of translucent methacrylate or its acoustic finishes with the sinuousness of its shapes. Structure with metal base and white lacquered aluminium profile.

Séparer les environnements de manière subtile, telle est sa mission. Oslo combine les transparences des méthacrylate translucides ou ses finitions acoustiques avec la sinuosité de ses formes. Structure avec base métallique et profil en aluminium laqué blanc.

Separar ambientes de manera sutil es su cometido. Oslo combina las transparencias de los metacrilatos translúcidos o de sus acabados acústicos, con la sinuosidad de sus formas. Estructura con base metálica y perfil de aluminio lacado blanco.

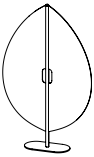

Separare gli ambienti in modo sottile è la sua missione. Oslo combina le trasparenze dei metacrilato traslucidi o le sue finiture acustiche con la sinuosità delle sue forme. Struttura con base in metallo e profilo in alluminio laccato bianco.
